Welcome to quality garden joinery

The Garden Trellis Company started life in rural Essex in 1992. The simple idea behind the company was to manufacture quality trellis panels that would enhance the gardens and outdoor spaces of people who appreciate attention to detail and excellent customer service.

Choose from a wide range of quality trellis, slatted panels, fencing, planters, bin stores and more in our online shop. We deliver nationwide and some overseas destinations on request. Shop online today, request a free colour sample pack or download our handy *Plan Your Project* guide.

Painted joinery

Our ready-made timber products are available in a range of 11 colours and are freshly painted or stained to order. We use a special durable paint system which is applied in our purpose built spray booths and then carefully dried in temperature controlled drying rooms, to ensure the most attractive and durable finish.

Concave & Convex Panels

Give your garden more shape!

Concave and convex arched top trellis panels add shape and definition as a run of standard fencing and are ideal for additional screening above fencing or walls.

Our arched top panels come in both square and diagonal trellis styles and are available with either 40mm gap between slats, ideal for additional screening or a 20mm gap for a little more privacy.

Diagonal Trellis Convex Panel

Premium Cedar Trellis Panels

High quality traditional trellis, available in both diagonal and square trellis styles, made from clear grade Western Red Cedar wood; attractive, distinctively aromatic and virtually knot free.

These stylish trellis panels are made from 32mm fine sawn batons for a smooth finish, then glued and stapled with a 68mm trellis gap and set within a screwed tenon jointed frame for an overall stronger more robust panel. The panels come with a 20 year materials guarantee and are available in six heights.

Slatted Panels

Our slatted panels give a contemporary feel to outdoor areas and terraces, providing a stylish privacy and security solution for your garden.

We offer two widths of slats, regular (30mm) and wide (45mm). The slatted panels are approximately 1800mm wide and are available in a range of heights. The panels are modular, so multiple panels can be used to create the required height, or can be easily cut down to suit. They are also suitable for being fitted on to the top of walls.

Regular Slatted

1795mm (W) x 450mm (H)	from £24.00
